# Coolangatta Estate Tasting Notes

## **Coolangatta Estate CJB Sparkling Chardonnay 2003**

**11.2% Alc**

This Vintage wine shows generous soft and creamy complex flavours on the palate, a result of 3 years yeast lees contact in this bottle with a creamy yeast aftertaste balanced with soft acid.

*Cellaring Potential – enjoy from now*

## **Coolangatta Estate Semillon 2007**

**11.3% Alc**

The wine has lifted floral and mineral Semillon characters. Big, soft middle palate with a citrus lime fruit structure. Plenty of clean fruit length with a crisp citrus finish.

*Cellaring Potential – 10 years*

## **Coolangatta Estate Verdelho 2008**

**13.6% Alc**

This wine has a fresh floral Verdelho lift with hints of passionfruit and pineapple. Rich spicy lean fruit texture that fills the palate followed by a crisp lime acid finish.

*Cellaring Potential – 5 Years*

## **Coolangatta Estate Sauvignon Blanc Verdelho 2008**

**11.2% Alc**

This wine has a spicy, herbaceous character accompanied by a clean, rich palate, crisp acid and good length.

*Cellaring Potential – 5 years*

## **Coolangatta Estate Alexander Berry Chardonnay 2007**

**13.8% Alc**

The wine exhibits a lean and slightly lifted mineral and melon fruit character on the nose. The French oak is subtle and in good balance. The palate shows very good chardonnay fruit strength and tightness, with a slight mineral and citrus flavour profile and is long and elegant.

*Cellaring Potential - 5-7 years*

## **Coolangatta Estate Rosé 2007**

**12.7% Alc**

Rich strawberry in colour, this wine made from Chambourcin and Merlot has a fruity confectionary nose with a clean fruit palate. There is slight residual sugar which is in balance with the fresh acid.

*Enjoy from now*

*(2007 Kiama Regional Wine Show – Best In Class 7 ‘Light bodied red including Rose’)*

*(2008 South Coast Wine Show – Best In Class 24.1 Rose)*

## **Coolangatta Estate Rosé 2008**

**12.7% Alc**

A Slightly different blend this vintage with 70% Chambourcin and 30% Cabernet Sauvignon. The wine maintains its rich colour and confectionary nose. Clean fruity palate and lovely crisp dry finish.

*Enjoy from now*

*(2008 Australian Boutique Wine Awards – Best In Class 9 ‘Rose’)*

*(2008 Winewise Small Vigneron Awards – Best In Class 30 ‘Rose’)*

## **Coolangatta Estate Merlot Tannat 2006**

**13.5% Alc**

Tannat is a French varietal known for its fine tannins, deep colour and structure. This 50/50 blend combines the softness and fruit of merlot whilst allowing depth and structure of Tannat to give this wine a delicate yet bodied palate with a long finish.

*Cellaring Potential - 5 years*

## **Coolangatta Estate Chambourcin 2007**

**13.5% Alc**

Vibrant purple red in colour, the wine displays clean lifted cherry fruit which is enhanced by sweet vanillan oak character. The palate shows generous fruit flavours along with chocolate, licorice and spice. Drinking well now and over the next few years.

*Cellaring Potential - 5 years*

## **Coolangatta Estate Elizabeth Berry Cabernet Sauvignon 2007**

**13.5% Alc**

The wine is dark purple red in colour. Varietal red berries and briar are apparent on the nose. Accompanied by subtle supportive oak. The palate displays generous black fruit flavours and earthy undertones. The soft fruit and oak tannins give this wine its long and satisfying finish.

*Cellaring Potential - 5 years*

*(2008 NSW Wine Awards Top 40 Wine)*

## **Coolangatta Estate Tannat 2007**

**14.0% Alc**

Deep and dark in colour with blackberry flavours on the nose, this brooding brambly wine has firm tannic structural background with savoury characteristics and a long persistent finish. An ideal food wine that will reward careful cellaring.

*Cellaring Potential - 7 years*

*(2008 NSW Wine Awards Top 40 Wine)*

## **Coolangatta Estate Vintage Port 2005**

**18.2% Alc**

An intense purple colour, followed up by concentrated cooked berry and plum aromas, which are complex by well integrated brandy spirit characters. The palate is rich and luscious with ripe berry flavours with a hint of clove and cinnamon spice. The wine's structure is supported by velvety tannins, and a good balance of acid and residual/ alcohol sweetness.

*Cellaring Potential - 10 years*
